

## COMPUTERS – INTERNET WEB DESIGN

### PURPOSE:

To give young people the opportunity to develop and demonstrate their creative and technical talents by the creation of a Web site on the Internet. The site must glorify God and represent the current year's LTC theme.

### PROCESS:

Teams or individuals from a congregation will:

- Create a web site on the Internet.
- To submit the web site for judging, the church coordinator shall e-mail the following information to the event coordinator on or before the event deadline: Congregation Name, Age Group, List of team members with their grade in school, Complete URL for the site, List of pages or URL's within the site that are to be judged, and Contact person for questions about the site.

The Church coordinator or coach will:

- Complete all General Event Rules (p 19) and Pre-Convention Event Rules (p 20).

The Event Coordinator will:

- Complete all General Event Rules (p 19) and Pre-Convention Event Rules (p 20).

The Judge will:

- Complete all Pre-Convention Event Rules (p 20).

### RULES:

1. The site will be of a format that is generally accessible to most users of the Internet. Each site may consist of one or more pages with links from the site to the individual pages.
2. Sites may be linked, but the participant must specify exactly which URL's are to be judged.
3. An unlimited number of teams and/or participants from each congregation are allowed per grade level with a maximum of five participants per team. One team of participants may only work on one entry.

Grades 3-9:

4. The creation and design of the presentation ideas will be the effort of the participant(s). Adult helpers are allowed to help with the implementation and technical assistance.

Grades 10-12:

5. Adult assistance will be limited to that of advice and supervision. The site will be the work of the participants only.
