

## Signing for the Deaf

Each participant is required to listen to the selections while wearing headphones when they sign. This arrangement is designed to make the audience “deaf”.

The words to the song and/or scripture will be provided by the event coordinator, no outside copies or enlarged lyrics please.

This event aims to provide a **semi-realistic** experience for both the participant and the audience. Remember a Deaf person would not hear the music or the speaker but will see the words on your hands. If the participant gets behind no one will know, but don't rush ahead either. **We aim to keep all selections at a moderate speed. Please practice songs and scriptures at slow and fast speeds and some medium speeds too, in order to be well prepared.**

Your ability is expected to grow. Older participants are expected to be able to do a little more. **Coaches and participants are responsible for knowing and following ALL event rules.**
